Story by Stu Dexter

It was a low turnout for the 2nd annual women's AAU indoor championships at U.Maine's Orono campus. How about a total of 35 athletes? But good things come in small packages as the eleven events yielded some close contests as well as five meet records.

National AAU indoor shotput champion Ann Turbyne of Winslow overshadowed all with a 51-6 1/2 flip of the steel ball, a meet record. The high school grad stands serious and determined in the circle before each throw, staring out at her intended distance for ten transfixed seconds. Three quick steps, a groaning release and a long, long throw have given Turbyne the number one position in Maine and nationwide shot competition.

The meet's only double winner was Mt.Abrams's Cheryl Pike who sprinted to a 7.9 6 yard dash victory and a 28.1 220 for a meet record. Cheryl then came back to anchor Mt.Abrams's winning 480 relay team (1:03.3)
The other meet records went to Rumford's Pat Robin and Liz Carey in the 880 yard walk who both clocked a tying 5:01.6. Quarter miler Debbie Westcott of Old Town clipped over two seconds off the 440 record with a 65.4 effort.
